Bidder Registration and Verification:

For verification purposes, a credit card is required in order to register for this auction. Upon registering, an authorization charge of \$1,000.00 will be charged against the credit card used for registration. This authorization is not a permanent charge placed on your card, it is only a pre-authorization used to verify identity of our bidders and the availability of funds on the credit card used for registration. Please be advised that WAG has no control over the length of time the verification charge remains on your card, that is at the sole discretion of your credit card company. Also, please be aware that registering for multiple auctions could incur multiple verification charges; and in some instances, multiple verification charges may result in a fraud alert being sent to the card holder. WAG reserves the right to reject or accept bidder registrations at its sole discretion.

Terms of Sale:

At the close of the auction, successful bidders will be emailed a contract package. Included in the contract package will be the purchase contract as well as instructions for submitting your earnest money deposit. The required earnest money deposit required is \$2,500.00 as stipulated in the Contract for Sale.

Bid Increments:

The Bid Increments will be as follows:

Amount Up to:	Bid Increments
\$10,000	\$500
\$50,000	\$1,000
\$100,000	\$2,000
\$250,000	\$5,000
\$500,000	\$7,500
\$500,000+	\$10,000

WAG reserves the right to adjust bid increments as needed.

Scheduled Auction End Times:

The Auction is scheduled to end at the published end time, subject to auto-extend bidding. Each time a bid is placed with the clock showing less than 10 minutes, the clock will reset to 10 minutes. In the event the auto-extend time needs to be reduced, WAG reserves the right to adjust the auto-extend, as needed.

Buyer's Premium:

A 10% Buyer's Premium will be added to the bid price for each property to determine the final contract price. For example, if your final bid price is \$100,000, 10% (\$10,000) will be added, resulting in a total contract price of \$110,000.
